Tenants
Town of Gilman
Gilman, CO 81634

Dear Tenants:

Pursuant to our conversation of March 23, 1985, we would like this letter to serve as formal notification of our intent to discontinue services to all tenants of the town of Gilman. The effective date of termination shall be June 30, 1985. We would like to request that you vacate the premises prior to this date.

As was mentioned, Battle Mountain Corporation would like to offer to assist with your relocation. We therefore would like to offer rent-free living until your departure from the premises. In addition, we would like to offer Joe Trujillo's assistance with packing your belongings, if necessary.

Should you have any questions, or circumstances which may prevent you from relocating prior to the termination date, please contact Joe or myself and we will see if other arrangements might be made.

We sincerely thank you for your cooperation.

Best wishes,

BATTLE MOUNTAIN CORPORATION
